A1 Pets Delight offer a range of Raw Meats which include:

Beef Mix - lean mix of Beef Meat 80% and Beef Fat 20% being the ideal diet for Racing, Showing and Breeding Dogs

Mutton Mix - 70% Mutton Meat and 30% Mutton Fat being ideal for Breeding, Showing and Growing dogs which require a little more fat in their diet and also for any dogs who carry an intolerance to Beef.

Chicken mix - 100% Meaty Chicken frames minced through a fine plate giving a great product low in fat for cats and dogs who require a chicken based diet.

Roo mix - 100% Kangaroo meat that is the perfect lean blend for Racing or allergy affected cats and dogs.

These products are packaged and frozen for customer convenience and come in 7kg and 14kg cartons and contain 1kg individual packs.
